### **CPS Announces Certified and Support Employees for May 2015**

Charlotte Public Schools is pleased to announce that Mr. Martin Husby has been selected as the Support Employee of the month; Mr. Husby is the Head Lifeguard/Lead Water Safety Instructor at the Charlotte Aquatic Center and Ms. Stacie Detgen has been selected as the Certified Employee of the month; Ms. Detgen teaches band at the Charlotte Middle School and the Upper Elementary.

Mr. Husby was nominated by Ms. Erin McLain, District Registrar. In her nomination, excerpts of what

Ms. McLain wrote includes: “Martin (Mr. Marty) makes the Aquatic Center such a great place! He is the reason our swim lesson program has grown so dramatically. Not only has he won over our local families, but many of his former swim lessons students from other school districts have followed him to our great facility to have lessons with their “Mr. Marty”. “He works tirelessly to make each day a success here. Whether it is in the office or on the pool deck he is always dedicated to excellence.” In addition to his efforts on the pool deck, he spends many hours in the office working on all of the daily functions of the pool and our programming.” “Martin is a true asset of this district and deserves the recognition.”

Ms. Stacie Detgen was nominated by fellow teacher, Erin Turner. Excerpts of what Ms. Turner wrote include: “Stacie currently teaches both middle school bands, sixth grade band, fifth grade music, and fourth grade technology. Stacie has helped put Charlotte Middle School “on the map” for its renowned music program. Both middle school bands continuously receive high ratings at band festivals and competitions. These high ratings come from a combination of Stacie’s quality instruction and the dedication the students have to the program, which Stacie has had a hand in developing.” “CMS regularly hosts Fall Solo and Ensemble Festival giving the community a glimpse of how wonderful our facilities and staff are. Stacie has also hosted District and State Band and Orchestra Festivals.” “Stacie is also well-respected and valued in the music education community where she has served on multiple chairs for the state MSBOA organization and judges Solo and Ensemble Festivals and Band and Orchestra Festivals. She mentors intern teachers, is President of the MSU Alumni Band Association, guest conducts across the state, and continues to help support all musical endeavors throughout the district.”

Charlotte Public Schools is very proud of these employees and appreciative of their efforts on behalf of our students and staff.

If you know of a CPS employee who goes above and beyond on a consistent basis, you are invited to nominate them for employee of the month. Information is available on the District's website: [www.charlottenet.org](http://www.charlottenet.org) or feel free to call 541-5101 for more information.
