CHARLOTTE HIGH SCHOOL AP ENGLISH – THE TELLING PROJECT

On Sunday, November 15, High School English Teacher Sarah Rohlfs and a group of 16 senior Advanced Placement English students traveled to Peppermint Creek Theatre Company’s performance of The Telling Project, “Telling: Lansing”. This performance featured local veterans and veterans’ family members sharing stories of their experiences in a deeply moving production. Cooper Frost shared that the performance, “brought to light hidden difficulties and tragedies for vets and their families, small and large.” Similarly, Savannah Struble shared that the experience

allowed her to gain a deeper sense of understanding and empathy for what life is like for veterans and their families. Mrs. Rohlfs and her students felt honored and privileged to have participated this opportunity.
