### **CPS Announces Certified and Support Employees for December 2015**

Charlotte Public Schools is pleased to announce that Ms. Erin McLain has been selected as the Support Employee of the month; Ms. McLain is the District Registrar, Facility Scheduler and Aquatic Center Administrative Assistant. Ms. Karen Scheurer has been selected as the Certified Employee of the month; Ms. Scheurer is a 1<sup>st</sup> grade teacher at Parkview Elementary.

Ms. Erin McLain was nominated by Mr. Marty Husby, Swim Instructor and Mr. Dan Christian, Aquatic Center Director. In their nominations, excerpts of what they said include: "Erin is often the first contact many of our students' families have with our district. Her ability to provide information....helps prospective students and families feel like part of the Oriole family." "I have seen Erin as the school's registrar, handle MANY families registering their children for school and be able to make sure everyone in the office feels like they are being taken care of in a very professional manner." "Erin is also the facility scheduler for Charlotte Public Schools, and ensures that spaces are utilized before, during and after school." "Erin also uses her people skills to support the Aquatic Center and Community Recreation." "Erin is the glue that helps keep the Aquatic office together." "Erin is an excellent ambassador of Charlotte Public Schools and the Aquatic Center, and is deserving of this special recognition as an outstanding employee."

Ms. Karen Scheurer was nominated by parent/HS teacher Sarah Milarch and another parent, Lynn Beck. Excerpts of what Ms. Milarch and Ms. Beck wrote in her nomination include: "Karen Scheurer goes above and beyond every single day with her first grade class!" "...she has a visible love for teaching and an unconditional love for her students. She is charismatic and positive, yet sets high expectations for her students. She challenges them to be their best selves each and every day." "She cares deeply about each child in her care, maintains a high standard, and makes learning fun!" "Mrs. Scheurer goes above and beyond to keep parents informed and involved in what happens in the classroom. We receive frequent email updates which I believe is essential to providing a holistic education – classroom learning and parent involvement." "She embodies the genuine essence of Oriole Pride and passes that on to her students and their families!"

Charlotte Public Schools is very proud of these employees and appreciative of their efforts on behalf of our students and staff.

If you know of a CPS employee who goes above and beyond on a consistent basis, you are invited to nominate them for employee of the month. Information is available on the District's website: [www.charlottenet.org](http://www.charlottenet.org) or feel free to call 541-5101 for more information.
