### **Charlotte Upper Elementary AAA Safety Patrol Enjoys Picnic**

On May 17, 2016, 21 members of the Charlotte Upper Elementary AAA Safety Patrol enjoyed spending time with their fellow greater-Lansing safety patrollers at Hawk Island Park. These students serve the CUE by helping with after-school dismissal at both the parent drop-off and bus pick up areas. While at the picnic, they enjoyed presentations by several area law enforcement agencies, a view of helicopters, music, face painting, a bounce house, and all-you-could eat popcorn, hot dogs, and pop. Thank you to the CUE PTO for providing bussing to this fun event. Go Orioles!
