**CPS TRANSPORTATION DEPARTMENT WELCOMES MS. TOMLINSON**

Charlotte Public Schools would like to welcome Karen Tomlinson to our staff. Karen was hired to be the new administrative assistant for the Transportation Department. Karen is a graduate of Grand Ledge High School and she resides in Eagle, MI with her daughter Noelle and husband Mike. Karen is a newlywed as she and Mike tied the knot this past August. They spend their spare time remodeling their "forever home" and hope to be moved into it before the end of the year. Karen brings over 30 years of office experience to Charlotte from her previous employment with Jackson National Life, Step forward Michigan, and most recently the Michigan Department of Education. We are excited to have Karen join our staff and the Oriole family. Karen is looking forward to serving the students and parents of Charlotte. Welcome Karen!
