CHARLOTTE PUBLIC SCHOOLS WELCOMES MS. LIDDICK

Charlotte Public Schools would like to welcome Stacy Liddick, RN BSN, as school nurse for Charlotte Public Schools. She comes to us with nine years of medical-surgical and orthopedic hospital experience and eight years as a stay-at-home mom to two children, Nicholas and Allison. Ms. Liddick and her family reside in Haslett and have lived there for seven years. She volunteers in a variety of community activities, including Cub Scouts and PTO.

Ms. Liddick states, "I am incredibly excited to be working with the children, staff and community members here in Charlotte! I have an incredible desire to work with children, their families and school administrators to not only improve the health, wellness and safety in our schools but also to make an impact on the community of Charlotte as a whole." "Children are our future and Charlotte is a fantastic community to be attending school in." Ms. Liddick looks forward to bringing her personal and professional experiences to our community and making this school year an amazing one. Welcome to the Oriole family Ms. Liddick.
