WASHINGTON ELEMENTARY WELCOMES CIERA MAGEE-WIGGINS TO ORIOLE FAMILY!

Washington Elementary would like to welcome Ms. Ciera Magee-Wiggins to Charlotte! This is her third year of teaching, and first year with Charlotte Public Schools, as a Title I Intervention teacher. Ms. Magee-Wiggins earned her Bachelor of Science Degree, in elementary education, with a specialization in Language Arts, from Oakland University. From there, she went on to receive her Masters Degree in Literacy and Language Instruction/Reading Specialization from Michigan State University

(GO GREEN!). She shared “I am thrilled to be a part of the Charlotte Public Schools learning community, and I am greatly enjoying working with and learning from your students!”

Ms. Magee-Wiggins is a Michigan native, born and raised. Throughout her teaching career, thus far, she has spent countless hours in classrooms, as well as, devoting her time to other youth-based activities. She loves to travel and visit new places. She has had the amazing opportunity to study abroad and teach elementary students in both Sydney, Australia and Cape Town, South Africa. She spent her first two years of teaching, as a second grade classroom teacher. She has a passion for working with young learners, helping them build their foundational skills, and watching their growth.

“This is sure to be a *wonderful school year!* I am confident that I will learn just as much *from* the students in Charlotte, as they will learn from me. I hope that they will continue to benefit from my presence in the classroom, and I thank the Charlotte community for such a warm welcome! Go Orioles!”
