CHARLOTTE UPPER ELEMENTARY WELCOMES JULIE HARMON!

Charlotte Upper Elementary would like to officially welcome Ms. Julie Harmon as their newest administrative assistant.

Ms. Harmon is a graduate of Eaton Rapids High School and Spring Arbor University. She considers herself a life-long learner and could not be more enthusiastic about her new job and all the adventures it will bring.

In her free time she enjoys spoiling her first grandbaby, relaxing at home, and taking long walks with her husband, Nate, and dog, Bear.

Ms. Harmon shared, "I want to thank Charlotte Public Schools for this awesome opportunity and a bigger thanks to my CUE staff for the warm welcome and all the help making my transition such a smooth and successful one." Welcome to the Oriole family Ms. Harmon!
