CHAD LITTLE JOINS ORIOLE STAFF

Charlotte High School is thrilled to have Chad Little on board as a new business and insurance teacher. Chad has extensive experience working in business, sales, and the insurance industry, and he is doing a wonderful job bringing that real world experience into the classroom for his students. Chad earned a bachelor's degree from Georgia Southern University and a master's degree from Bellvue University, and he spent time teaching in Georgia before moving to Michigan and beginning to work in the business world. Chad chose to come to Charlotte because of the business program's strength and community support, and he likes the supportive atmosphere at CHS, as well as the sense of pride that people feel in the school. Chad is certainly helping to grow the success of the business program, and continuing to engage the community in the work he and his business colleagues are doing! Welcome to CHS Chad!
