Charlotte Public Schools Food Service Department Welcomes Angela Poortvliet

Charlotte Public Schools would like to welcome Angela Poortvliet as a member of the Food Service Staff at Washington Elementary. Angela has volunteered in the classroom at Washington and has been active with the PTO. She resides in Charlotte with her husband Jeremy, her daughter Emily, son Luke and her many pets: dog Oscar, cat Sushi and rabbit Radar. Angela is the perfect fit working with Brenda Tomlinson serving students breakfast in the classroom and lunch at Washington Elementary. Mr. Short, Principal at Washington, gave two thumbs up in the selection of Angela. We are all excited to have Angela officially join our Food Service Team. Welcome Angela and Go Orioles!
