CHARLOTTE BUSINESS STUDENT EARNS MICROSOFT CERTIFICATION

Congratulations to the new Microsoft Office Specialist (MOS) certified student. On December 19, 2017, Caitlyn Martin took the MOS Word 2016 certification exam, and successfully passed certification.

The MOS program is an industry-recognized, standards-based program for validating Microsoft Office skills. Caitlyn is in the Computer Applications class taught by Mrs. Tina VanSyckle, which has prepared her to pass this special certification test. For 6 weeks, she has been working on exercises, assessments, and computerized practice tests to prepare her for this exam. Caitlyn received an official certificate from Microsoft, and a second certificate is posted to the classroom Wall of Fame. Great job Caitlyn!
