

e-Funds for Schools – Online Payment Option

Charlotte Public Schools has partnered with e-Funds for Schools to offer our parents a convenient way to pay for a variety of school related fees. Examples of fees that can be paid using this method include but are not limited to: field trips, class fees, child care, food service, athletic fees, and camps. This option is a secure method for you to make credit card or ACH (checking account) payments online 24 hours a day, 7 days a week. No more sending cash to school with your child, writing checks and hoping they don't get lost in a backpack, and better yet...we don't pass along the fee for this service to you!

The registration process is easy and directions can be found on the Charlotte Public Schools website or by going to the link below.
