We will experiment with nature to create artwork in different forms. We also will be going to **Fitzgerald Park** to learn about their nature program and explore the ledges, trails, and forests.

Week 3
July 5-8 (Closed Monday 7/4)
T, W, Th, and F
Hometown Heros
This week will focus on our hometown heroes and all they do for us. We will be walking to the **fire station** to meet our local firefighters, see the trucks and all that goes along with it. We also will be celebrating Independence Day by having a picnic out on the playground, along with backyard games including badminton, volleyball, and croquet.

Week 4
July 11-15
Step Back in Time
This week we will take a step back in time to the late 1800's. We will be making our own butter and ice cream. We also will be taking a trip to **Charleton Park** in Hastings to spend a day immersed in the activities of a typical 19th century Michigan community. At **Charleton Park** they will have the opportunity to meet actors setting up for the civil war reenactment, they will be making their own candles, and cooking up a pot of soup. Come join us for this look back in time.

Week 5
July 18-22
Out of this World
This week we will focus on all things space and out of this world!! We will be using flashlights and creating our own constellations, making moon rocks, and cooking up a batch of astronaut pudding. We will cap off the week by taking a trip to **Abram's Planetarium** to experience a special show on outer space. After the show, they will be going to **MSU Children's Garden** for lunch.

Week 6
July 25-29
Retro Week
Each day of this week will focus on a different decade. Prepare to dress up, get funky, and show your spirit for the 50's, 60's, 70's, 80's and 90's. We will be listening to music from each era, and talking about the games, shows, and activities that were big during that time. They will get in groups to create dioramas that reflect each time period. They also will be going to **Edru's Skate A Rama Roller Rink**. Pull out your neon leg warmers and prepare for a rollin' good time!

Week 7
Aug 1-5
Helping Hands Week
This week we will be focusing on reaching out and helping others. We will do a community **car wash** to earn money for a local charity of the kid's choosing. We also will be having a bake sale and silent auction. The children will have the opportunity to come up with different ways of helping out around the Center and the community.

Week 8
Aug 8-12
Let's Play
Weymouth's philosophy is that children should learn through play. Hands on, messy, fun, **PLAY**. So this week will be filled with all sorts of fun, playful, exciting activities. We will have a remote control vehicle race, team challenges, science experiments, and much, much more. We will be topping of the week by going to Michigan's largest indoor play structure at **Cast-away Play Café** in Howell.

Week 9
Aug 15-19
Wide World of Sports
Sports come in all shapes and sizes, indoor & outdoor, fast & slow. This week we will focus on the wide variety of sports. We will have local athletes join us for some quick lessons in volley ball, soft ball, and basketball. We also will set up a kick ball tournament, with teams, brackets, and a "Weymouth Champion." The field trip this week will be to **Char Lanes** to go bowling, so bring your 'A' game and be ready to play!!
