

ATTENTION CPS ATHLETES

Charlotte Public Schools will once again be offering **free** concussion testing as part of the ImPACT program in partnership with EMPOWER, Hayes Green Beach Memorial Hospital's rehabilitation services provided at AL!VE. This is the third year the program has been offered and has been a tremendous asset on the health and safety of CPS Athletes.

ImPACT Baseline testing is reliable for 2 years. Any incoming 7th through 12th grade Student who did not take the ImPACT test last June 2016, will need to take the test. Any questions if an Athlete will need to take the ImPACT test again can contact the Athletic Department @ 541-5160.

ImPACT concussion testing is mandatory for contact sports such as football, volleyball, competitive cheer, basketball, wrestling, baseball, softball, and soccer participants, 7th thru 12th grade. The baseline test establishes a pre-concussion measurement that can be compared against a post-concussion test to ensure a safe return to learn/play.

AL!VE's Athletic Trainer, Derek Sanders and Physical Therapist, Jacob Brown will be administering the ImPACT testing to student athletes in the:

CHS Computer Lab, June 6, 7 and CMS Computer Lab June 8.

Times and Sign up sheets will be in the Athletic Office starting in May.

The baseline test usually takes about 30-40 minutes to complete and will be taken in groups.

There is **NO COST** for the baseline test.

In order to be effective, **ImPACT testing will be MANDATORY**
