

Charlotte High School Scheduling Presentation

2/6/19

Agenda

- The Scheduling Process
 - The Curriculum Guide
 - Next Steps
- 

Scheduling Process and Timelines

Late January/Early February

- ▶ All documents in the Scheduling tab on the high school home page (http://www.charlottenet.org/charlotte_high_school.html)
- ▶ Parents and students can view the curriculum guide and course choices
- ▶ Counselors meet with students to discuss options
- ▶ Students select electives and other offerings

Early February

- ▶ Course preference forms due

February-April

- ▶ Schedules created

Late May-August

- ▶ Schedules available and change requests can be made

Benefits of the Process

- ▶ Students choose courses, not hours
 - ▶ Students select electives based on interest
 - ▶ Students can take multiple AP/college courses and other electives
 - ▶ Students can schedule support classes and other electives
-
