CPS Announces Certified and Support Employees for December 2014

Charlotte Public Schools is pleased to announce that Ms. Kim Telfor has been selected as the Support Employee of the month; Ms. Telfor is the Technology support person for Parkview Elementary and Ms. Angi Jewell has been selected as the Certified Employee of the month; Ms. Jewell is a 4th Grade teacher at Charlotte Upper Elementary.

Ms. Kim Telfor was nominated by the Parkview School Improvement Team, specifically by Christy Huver, an elementary teacher at Parkview Elementary. In her nomination, Ms. Huver on behalf

of the Parkview SIT Team said: "Kim Telfor is absolutely amazing at supporting the teachers at Parkview with all of our technology questions and concerns. She goes above and beyond to make sure we have all of our technological needs met and she is very prompt." "She often gives up her own time to help us prepare to use a new tool or get things set up for the kids. Kim happily investigates any new teaching and/or learning tools we discover and goes beyond the call of duty to bring new and innovative resources to us and all of the students at Parkview. Kim.....is always looking for ways to help the teachers and students at Parkview! Kim is wonderful!"

Ms. Angi Jewell was nominated by Upper Elementary teacher, Julie Davis. Excerpts of what Ms. Davis in her nomination included: "I have had the pleasure of working with and learning from Angi for the past 24 years. During this time I have seen her go above and beyond the practice of any ordinary teacher." "In her classroom, Mrs. Jewell has been a leader in educational practices. When the iPads came into the room she embraced them and learned the best ways to use them.....She is simply a master at engaging kids in learning." "Mrs. Jewell is a leader at her building. She is on the school improvement team and is a leader of her grade level...She is serving on the restructuring team to help lead our district into the future." "Angi is responsible for bringing Rachel's Challenge, or the KC Club...to the Charlotte Upper Elementary. She has helped many students get on the road to positively supporting other students and sending positive messages to one another."

Charlotte Public Schools is very proud of these employees and appreciative of their efforts on behalf of our students and staff.

If you know of a CPS employee who goes above and beyond on a consistent basis, you are invited to nominate them for employee of the month. Information is available on the District's website: www.charlottenet.org or feel free to call 541-5101 for more information.
