Competitive Swimming Heating Up at the Charlotte Aquatic Center

Did you know that wintertime is the busiest time of the year for most competitive swimming programs? Charlotte High School girls' season has just ended, and in the water now are the Charlotte High School boys' team, the Charlotte Middle School swim team and the Tiger Sharks swim team for area youth. Add the new Triathlon Training with AL!VE and the Red Cross Learn to Swim lessons, and there are many miles being swum at the Aquatic Center. There are also meets being hosted by the Aquatic Center that are upcoming.

The Aquatic Center will be hosting CMS swim team meets on December 16 with Williamston, January 11 with Waverly and January 27 with Jackson. The CHS boys' team will be hosting Coldwater on January 7 and Corunna on February 3. The Charlotte Aquatic Center is the ideal space for hosting these competitions with excellent facilities and a state of the art timing system. This has helped Charlotte teams prosper with many team records broken this past year.

The Charlotte High School Girls' swim team has broken ten of twelve team records from last year. The High School Boys' swim team has broken three of its own records in just one competition. Looking to continue the trend of excellence are the Middle School swim team, who begin competition this month, and the Tiger Sharks Swim Team, whose season concludes in March at the Michigan Team Swim League Championship at Saginaw Valley State University. For more information on swim teams and the Aquatic Center, please visit registration.swimcharlotte.org or call 517-541-5740.
