Charlotte Students Thank Kiwanis Club

Parkview Elementary third graders were recently visited by members of Charlotte Kiwanis Club and each received a learning tool that they will be able to use for years to come. Kiwanis clubs, located in 80 nations, help their communities in countless ways. Each community's needs are different—so each Kiwanis club is different. By working together, members achieve what one person cannot accomplish alone. When you give a child the chance to learn, experience, dream, grow, succeed and thrive, great things happen.

This year, the Charlotte chapter of Kiwanis, gave each third grade student a dictionary for them to keep and use in the classroom. The student dictionary included maps, charts, and even the longest word in the world. The third grade students of Parkview would like to thank all of the local sponsors who donated to this project for them to receive this gift.
