Charlotte Middle School Student Receives Regional Recognition!

Charlotte Middle School is proud to announce that 8th grader, Grace King's artwork is being regionally recognized. She is one of our eighth grade art students and her work was chosen to be represented on a digital billboard by the Adams Outdoor Advertising firm. Grace was one of only ten students from around the area whose art will be shown for a one month period of time in the Lansing Art League's Gallery and on the billboard located on M-43 in Grand Ledge across from the Meijer store.

Grace was asked why art was so important to her and she was quoted as saying: *"Picasso once said 'Every child is an Artist. The problem is how to remain an artist once they grow up' and that to me means that every kid likes to color but as you grow, you grow out of it, but if you are a true artist then you will take it to your next level, make art your own personal diary, a way to express your feelings, emotions...a way to express yourself."* Grace is an amazing artist and has a wonderful future ahead of her! Congratulations Grace! Oriole Pride!
