Area Youth Take to the Field as Summer Ball Begins

Summer has officially begun in Michigan as we are a few weeks removed from snow and bats have begun swinging on the baseball diamonds. Summer Ball, offered by the Charlotte Aquatic Center, is a baseball program for area boys and girls ages kindergarten through third grade. The program is led by former CHS standout, Brian Lautzenheiser, who looks forward to providing summer fun and personal growth for all participants.

“It truly is a great game where kids will learn a lot of life lessons,” said Lautzenheiser. “I look forward to seeing the players working hard to improve at a game that is not easy, and watching the young men and women develop their skills throughout the season.” Supporting the youth, and helping to develop those skills are about 20 volunteer coaches who usher in a love for the game. This year, there are 173 area youth participating in our Summer Ball.

The program, which began on May 12, kicked off with a swim party at the Charlotte Aquatic Center and will conclude on June 23. For more information on Summer Ball, or programs offered at the Charlotte Aquatic Center, please visit registration.swimcharlotte.org
