CPS Announces Certified and Support Employees for May 2016

Charlotte Public Schools is pleased to announce that Ms. Emily Nenortas has been selected as the Support Employee of the month; Ms. Nenortas is an Administrative Assistant at Charlotte High School and Ms. Karen Anderson has been selected as the Certified Employee of the month; Ms. Anderson is the Early Middle College lead mentor at Charlotte High School.

Ms. Nenortas was nominated by fellow administrative assistant, Becky Frazier and also by Bill Barnes, high school principal. In her nomination, excerpts of what Ms. Frazier wrote include: “Emily is always smiling and so very helpful to all of the HS parents. She is the first person that students and parents see when they come to the High School, and she represents our district so well.” Part of what Dr. Barnes wrote includes: “Emily is an outstanding employee. She is efficient in her work, and continually looks for ways to contribute to the operation of the high school office.” “...she creates a welcoming presence that is felt and appreciated by staff, students, parents, and community members. She is extremely hard working, always positive, and exactly the kind of person whom we want representing Charlotte High School.”

Ms. Karen Anderson was nominated by Bill Barnes, high school principal. Excerpts of what Dr. Barnes wrote include: “Karen consistently goes above and beyond to help advance the mission of Charlotte Public Schools. As the lead mentor in the Early Middle College, Karen not only helped to develop the program, but she currently teaches in it and works with students and families to ensure that all kids are successful. To date, all students are thriving at LCC and here at CHS, despite the fact that Karen is essentially building the program from the ground up.” “In addition to her EMC duties, Karen volunteered to fill in as the student council adviser on a short term basis, and took over just before homecoming. She helped organize a wonderful week for the kids, and since has taken on the talent show and blood drive. For all of Karen’s outstanding efforts, she is very deserving of the staff member of the month recognition.”

Charlotte Public Schools is very proud of these employees and appreciative of their efforts on behalf of our students and staff.

If you know of a CPS employee who goes above and beyond on a consistent basis, you are invited to nominate them for employee of the month. Information is available on the District's website: www.charlottenet.org or feel free to call 541-5101 for more information.
