### **Washington Elementary Welcomes Ms. Longton-Pawloski to Oriole Family**

Charlotte Public Schools' Washington Elementary would like to welcome Allison Longton-Pawloski to the Oriole family. Ms. Longton-Pawloski shared, "I am thrilled to be joining the Charlotte community as one of Washington's academic support teachers." Originally from the Detroit area, she graduated from Michigan State University with a degree in elementary education before teaching first and second grade in Chicago for seven years. Ms. Longton-Pawloski then ventured home to Michigan and completed her masters degree in curriculum and became a reading specialist through MSU, while working towards her English as a second language endorsement through Notre Dame. "I look forward to getting to know the families of Charlotte in the coming months and thank the community for their warm welcome!" said Ms. Longton-Pawloski.
