ANDREA HUDSON JOINS CHARLOTTE TEACHING STAFF

Charlotte High School and Charlotte Middle School are proud to introduce Ms. Andrea Hudson. Andrea earned a master's degree from Western Michigan University and a bachelor's degree from Huntington University in Indiana, and she worked in industry as well as at Climax-Scots High School before she became an Oriole. Andrea teaches business and technology courses at both the high school and the middle school. She chose Charlotte as her professional destination because she wanted to join a cutting edge school district and have colleagues in her subject area with whom she could collaborate. So far, she loves working with students at the various levels, and has drawn on her experiences in her former role as a substitute and classroom teacher to help her kids learn. She is an outstanding addition to CHS's already incredible business department, and she is helping to grow the program in the middle school, too. Welcome Ms. Hudson!
