## **CHARLOTTE'S PARKVIEW ELEMENTARY STUDENTS WALK WITH PURPOSE**

The weather last week did not stop the students of Charlotte's Parkview Elementary from doing their part to be healthy and support the school's PTO. The Fun Run was moved inside and the students continued adding steps to their pedometer. The Fun Run, held during recess, is done each year to support the PTO's efforts to fund field trips and free family events for the school. Students gain pledges from family and friends, then run or walk on a course set up in the gym with music provided by DJ Ron and a Zumba warm up by Parkview parent, Mrs. Dolsom. At this point, Parkview students have met 90% of the PTO goal to raise \$15,000! The community's support has been phenomenal and pledges can still be brought in until October 28<sup>th</sup>. Go Orioles! Oriole Pride!
