### **CHS WELCOMES BRANDON SCHMITT**

Charlotte High School is lucky to have Brandon Schmitt as its new Chemistry teacher. Brandon is a MSU graduate, and an alum of the Spartan Marching Band (he played the trumpet). Along with his coursework, his experiences in his student teaching at Walled Lake Western helped prepare him to succeed at CHS. Brandon enjoys the feeling of working together in order to improve the school as well as the community at CHS, and he was excited to join the staff because he feels that the school gives him an opportunity to grow as an educator, especially in terms of standards based grading practices. Brandon is doing a great job as the school's only chemistry teacher, and he is helping make sure that the difficult concepts are accessible to all of his students. He is an outstanding addition to the staff! Welcome Brandon!
