CPS MUSIC PROGRAM RECEIVES UKULELE DONATION!

Charlotte Public Schools was fortunate to be selected to receive a set of 40 Soprano Makala Waterman Ukuleles from Kala Brand Music Company in their recent Facebook Giveaway. Ukuleles have become popular instruments for younger students because they are a little smaller and easier to manage than guitars. The students at Parkview and Washington elementary schools, including this group from Mrs. Keyton's third grade class, are very excited about learning to play chords on the new ukuleles in music class. Thank you to Kala Brand Music for their generous donation! Oriole Pride!!
