CHARLOTTE BUSINESS STUDENTS EARN MICROSOFT CERTIFICATIONS TO PREPARE STUDENTS FOR COLLEGE AND CAREER

Congratulations to the new Microsoft Office Specialist certified students. On December 22, students took the MOS PowerPoint 2013 certification exam, and 8 students successfully passed certification. The following students are certified in Microsoft PowerPoint 2013: Jarrad Epkey, Logan Halliwill, Serena Hook, Zane Moore, Zaraya Newth, Luke Tennes, Drew Wendorf, and Chloe Williams.

The MOS program is an industry-recognized, standards-based program for validating Microsoft Office skills. These students are currently enrolled in Computer Applications class taught by Mrs. Tina VanSyckle, which has prepared them to pass this special certification test. For 8 weeks, the students have been working on exercises, assessments, and computerized practice tests to prepare them for this exam. These students received an official certificate from Microsoft and have been added to the Wall of Fame posted in the computer lab. Congratulations!
