CHARLOTTE BUSINESS STUDENTS EARN MICROSOFT CERTIFICATIONS

Congratulations to the new Microsoft Office Specialist certified students. On June 5, students took the MOS Word 2013 certification exam, and 11 students successfully passed certification. The following students are certified in Microsoft Word 2013: Nathaniel Bauer, Samuel Clark, Ashley Friar, Leonardo Garcia, Aiden Goddard, James Butler, Taylor Lindsay, Allison Lubbers, Lucas Rautio, Gillian Herber, and Tyler Vorce.

The MOS program is an industry-recognized, standards-based program for validating Microsoft

Office skills. These students are currently enrolled in Computer Applications class taught by Mrs. Tina VanSyckle, which has prepared them to pass this special certification test. For 8 weeks, the students have been working on exercises, assessments, and computerized practice tests to prepare them for this exam. These students received an official certificate from Microsoft and have been added to the wall of fame posted in the computer lab.
