Charlotte Upper Elementary AAA Safety Patrols Enjoy Picnic

On May 15, 2018, 28 members of the Charlotte Upper Elementary AAA Safety Patrol enjoyed spending time with their fellow greater-Lansing safety patrollers at Hawk Island Park. These students serve the CUE by helping with after-school dismissal at the bus pick up area. While at the picnic, they enjoyed presentations by several area law enforcement agencies, music, face painting, a bounce house, and all-you-could eat popcorn, hot dogs, and pop. Thank you to the CUE PTO for providing bussing to this fun event.
