**New STEAM Teacher Joins Elementary Team**

Charlotte Public Schools would like to introduce Ms. Stephanie D'Huyvetter as our new elementary STEAM (Science, Technology, Engineering, Art, Mathematics) teacher. Ms. D'Huyvetter received her undergraduate degree from Spring Arbor University in 2005 and later returned to earn her endorsement in Early Childhood Education. In 2017, she received a master's degree with a focus on

curriculum and instruction. Ms. D'Huyvetter has been teaching for 12 years in the Lansing area and she is excited to join the CPS team. She is looking forward to engaging her elementary students with hands-on experiences that will open their minds and imagination in the world of STEAM. Welcome Ms. D'Huyvetter.
