## **CPS Welcomes New Bus Driver**

The Charlotte Public Schools transportation department would like to welcome Mr. Matt Larsen to the CPS team. Mr. Larsen and his wife Kendra live in Charlotte with their four children, ages 1, 8, 13, and 14. He is an Air Force veteran who started driving bus three years ago for Ionia Public Schools, and recently moved to Charlotte with his family. With a degree in technology, Mr. Larsen never thought he would be driving a school bus. He enjoys being a positive influence for the children on his bus and he finds that being a school bus driver is a very fun and rewarding career. We are very fortunate to have Mr. Larsen join us.
