CHARLOTTE BAND/CHOIR PROGRAM EXPANSION

Ms. Kathleen Warriner is the new Charlotte Middle School choir and band teacher, hired just prior to the start of this school year. She is very happy to be teaching the CMS choir program, along with working with beginning bands up through assisting with the Charlotte High School marching band. She previously worked at Tekonsha Community Schools, where she taught K – 12 music including band, choir and all elementary music classes. Prior to teaching in Tekonsha, she taught many years as a band director at Marshall Public Schools and also worked for the Music Center of South Central Michigan managing two community music schools in Marshall and Albion. She is very active in musical theatre, serving as music director or pit musician for both community and professional theatres throughout the West Michigan area. She plays lead instruments in Misdirection, an entertainment band that features jazz, rock and world music in creative and inventive styles. Her favorite activity outside of music is biking and she most enjoys exploring the bike paths of Northern Michigan with her family. Welcome Ms. Warriner!
