CHS BUSINESS STUDENTS ATTEND FALL LEADERSHIP CONFERENCE

Two members of the Business Professionals of America (BPA) Charlotte Chapter attended the Fall Leadership Conference held at the Lansing Center on Friday, October 5, 2018. The student members attended seminars and workshops that will help lead the chapter to regional, state, and national competitions. Some of the business skills they learned included professionalism and corporate branding; teamwork and the value of taking risks; the importance of marketing; more than one way to problem-solve, and officer duties

and responsibilities. Business Professionals of America is *today's students, tomorrow's business professionals*. President Karson Klont and vice-president Janessa Emery, attended the conference as representatives from Charlotte High School.
