Dear Parents, Staff, and Community Members:

Superintendent Mark Rosekrans informed the CPS Board of Education this morning that he would be departing the district to pursue an opportunity in the private sector. We would like to extend our appreciation to him for his 25 year of service to Charlotte Public Schools and wish him the best of luck in his future endeavors.

The CPS Board of Education will immediately begin the search for a proven leader that can continue the positive momentum at Charlotte and inspire the very talented and dedicated employees of the district. We are a district that has seen recent growth in student enrollment and academic and extracurricular achievement and will no doubt be an attractive destination for top-notch superintendent candidates.

We will be sure to keep all of our parents, staff, and community members updated on the progress as we move through the search process.

Respectfully,

Caleb Buhs
CPS Board of Education President
