CHARLOTTE MIDDLE SCHOOL HONORS STUDENTS

On Wednesday, February 20, Charlotte Middle School held a ceremony to recognize Students Performing on Target (SPOT). One of their teachers nominates a student because they were performing on target, but also because they help their classmates, have excellent behavior, and often participate in activities in and out of the classroom. Over 50 parents, families, teachers, and students attended and the CMS staff appreciated this opportunity to honor some of the amazing things our students do every day. Congrats to all of you!
