## **CMS – ONE BOOK ONE SCHOOL**

On Wednesday, March 13, Charlotte Middle School held a movie screening of *Holes* to conclude the One Book, One School initiative. All 8th grade students at CMS received a copy of *Holes* by Louis Sachar and all 8th grade parents were offered copies of the book as well. Students participated in “Drop Everything and Read” time and answered trivia questions regularly about the book. At the movie screening, students could choose from Holes-themed snacks including “Kissing Kate Barlow’s Spiced Peaches,” “Onion Sam’s Onion Dip,” and “Diggin’ Dirt Pudding.”

With around 100 students, families, and community members turning out for this event, this was the start of what is sure to be a great tradition. This initiative and event would not have been possible without the support of generous community donors including Charlotte Public Schools Education Foundation, Charlotte Optimist Club, Charlotte Middle School PTO, Insty-Prints, Hungry Howies, and individual community members. Thank you again to the community of Charlotte

for showing our teenagers how much you support their growth and education!
