CPS STUDENTS TO PARTICIPATE IN CAREER EXPLORATION EVENT

On Friday, April 26, all Charlotte Public School's seventh and ninth grade students will have the opportunity to attend the MiCareerQuest Capital Area conference at the Lansing Center. This is a career exploration event for students to better understand career opportunities in our area. Students will have the opportunity to experience different careers in multiple industries, work with the tools and technology of the trades, talk with experts from the region's high demand industries and walk away with practical knowledge of today's workplaces.

Businesses from the Engineering, Manufacturing and Industrial Technology; Business, Information and Technology; Arts and Communications; Health and Human Services; Natural Science and Agriscience career pathways will be in attendance including AIS Construction, CATA, Case Credit Union, Fifth Third Bank, Jackson National Life, Lansing Board of Water and Light, LEAP, McLaren Greater Lansing, M3 Group, MSU Federal Credit Union, Spartan Motors, Dean Transportation and more.

Charlotte Public Schools is proud of our many partners that make these opportunities possible for our students. This type of career exposure is critical as our students' set post-secondary education and career goals.
