Board of Education to Host Community Forum on September 28, 2015

The Board of Education at their regular meeting on Monday, September 14, 2015, set a date and time to host a community forum about the Building and Site (sinking fund) election scheduled for November 3, 2015.

The forum will be held Monday, September 28, 2015, at 6:30 PM in the High School lecture room.

After much conversation surrounding comments received from the sinking fund survey that was posted on our website, the Board decided to host the forum. The survey is still available for the community to offer comments and feedback.

At the forum, I will welcome the community, introduce our Board and then present a PowerPoint presentation. After the presentation, the Board will field questions and provide some insight to the survey responses. It is anticipated the forum will last about an hour, depending on the amount of conversation needed to provide answers to the audience.

Community members are strongly encouraged to attend the forum to fully understand the election information. If you are unable to attend the forum, our website has all of the information readily available for review.

We hope to see you at the forum and answer any questions that you have.

Go Orioles! Oriole Pride!!
