

In Session with the “Oriole” Superintendent

By, Mark D. Rosekrans, Superintendent of Charlotte Public Schools

Thanksgiving Wishes

On behalf of the Charlotte Public Schools Board of Education, administration and our entire CPS staff, I wish our students, families and community a safe and enjoyable Thanksgiving holiday.

Thanksgiving is without question a time to be spent with family and friends. I hope that all of you are able to slow down and really enjoy the time spent with one another. Drive safely, if your plans involve travel. If you have important people you are unable to get together with, make sure to call them. Tell them they are important to you and that you appreciate them.

Thanksgiving is also a time to reflect upon the many things to be thankful for in our lives, community, state and nation. Again, take the time to reflect and show thanks.

I am also continually reminded there are people locally in great need. If you are able, please show generosity to these individuals or families. Taking care of “our own” must be a top priority for all of us. Any support for those in need is welcomed and sincerely appreciated.

Happy Thanksgiving!

Go Orioles! Oriole Pride!
