

In Session with the “Oriole” Superintendent

By, Mark D. Rosekrans, Superintendent of Charlotte Public Schools

Thank You and Holiday Wishes

I want to take a moment and send a thank you out to the community donors and the group known as the “Friends of the Dome”. The Friends of the Dome have been working the past several months fundraising with community businesses and individuals for additions to the high school dome. Their efforts paid off with the purchase and installation of new end cap bleachers and a new four sided center scoreboard. Both purchases were installed and ready for use at the home basketball game on Friday, December 11, 2015. The donations to the school district add quality for the students and community to enjoy for years to come. It needs to be noted that both of these facility additions came solely from community donations. There was no cost to the school district. So, to those that donated – thank you. Your generosity to the school district is very much appreciated.

With holiday break upon us, please let me take a moment to wish all of our students and families, as well as our community, a safe and enjoyable holiday. Holiday break officially starts at the end of the school day on Friday, December 18 and goes through Sunday, January 3, 2016. School resumes on Monday, January 4, 2016.

Most building and department offices will be closed during the entire break. Please refer to our website for hours of operation for the Charlotte Aquatic Center and Weymouth Child Development Center.

I hope all of you are able to spend time with family and friends over the next two weeks. For some the holidays are not an easy time and present stressful situations. If you are able, please assist people in need; anything helps. We are proud of our students who have held food drives and participated in other initiatives to support those in need in our community. Happy Holidays!

Go Orioles! Oriole Pride!
