

In Session with the “Oriole” Superintendent

By, Mark D. Rosekrans, Superintendent of Charlotte Public Schools

The CHS “Flight Club” and Mid-Winter Break

On Friday, February 12, 2016, the girls and boys varsity basketball teams play at home vs. Jackson Parma Western. The Michigan High School Athletic Association (MHSAA) will attend the games and judge our Charlotte High School student section called “The Flight Club”. The Flight Club is in the running for the best student section in the state. The Flight Club has a significant number of students participating; the student section is usually packed full. They have tremendous spirit and great chants they perform throughout the games. They show great pride, enthusiasm, and generosity. The students will be collecting bottled water for Flint during this special event and are asking the community to support their efforts.

Recently, the Flight Club has been seeking financial donations to have additional signs and other school spirit support items ready for the February 12th games and MHSAA judging. If you are interested in contributing to their effort to be recognized as the best student section in the state, please contact either the High School main office or the athletic office.

Charlotte Public Schools will be observing mid-winter break from Friday, February 12 through Monday, February 15, 2016. District and building offices will be closed during this time. School will resume on Tuesday, February 16, 2016, with regularly scheduled hours of operation. During mid-winter break, the Aquatics Center and Weymouth Child Development Center will be open. Please check our website for their specific hours during this break.

- Go Orioles! Oriole Pride!
