

## **In Session with the “Oriole” Superintendent**

By, Mark D. Rosekrans, Superintendent of Charlotte Public Schools

### **Thank You 2017 Retirees!**

The last day of school is June 16, 2017. It is a half day of school and will officially mark the close of the 2016-17 school year which has included 180 days of instruction. It is hard to believe how quickly the year has gone by.

With the school year ending, and the senior class of 2017 graduating, we would also like to recognize staff that are retiring from our school district. Please join me in acknowledging the following staff who have retired during the year or will retire from Charlotte Public Schools at the end of this school year:

Mr. Todd Kleinow

Ms. JoDean Mogg-Snyder

Ms. Blanche Brown

Ms. Alana Stahl

Collectively the staff members have a combined 87 years of service to our school district and our students. Some of these individuals also had additional public school experience serving students before they came to Charlotte. I would personally like to extend a thank you to our retirees. Each one has spent countless hours helping and caring for our students and have been a great asset to our school district. They have been dedicated employees and I sincerely appreciate their work over the years.

Our retirees will be recognized by the school district at an end of the year gathering the afternoon of the last day of school. I wish them the very best in their future retirement endeavors. Thank you for your service to Charlotte Public Schools!
