

Congratulations!

Thank YOU for making Charlotte Public Schools
a great place to serve our youth!

Week of January 28, 2019

Morgan Wilkins-Palmer (Weymouth): “Morgan is almost 9 months pregnant but has still made the staff of Weymouth her top priority. Great example is while we have been off due to severe weather and cold she made sure to make it in to Weymouth to make sure the payroll was done so staff would not get a delayed paycheck. Than you Morgan!” ~April Debler

Steve Combs (Upper Elementary): “Mr. Combs does a fantastic job with swimming classes at the CUE. Our middle school daughter was encouraged and excited about going to his class every day. The Olympics activity he designed for the end of the session was awesome! Thanks Mr. Combs, for making great learning opportunities for our students!” ~Anonymous

Stephanie Edge (Middle School): “Stephanie came in the middle of the school year and hit the ground running! We are so thankful to have her help on the special ed team at CMS. She is very passionate about her work and has been a big help this school year.” ~Carolyn

Bill Barnes (High School): “Dr. Barnes is not only an exceptional leader, he is a motivator, a dreamer, and most importantly passionate about learning and the students he serves. Just look at the programs he has helped create and open the last few years. He has lead CHS to be a pioneer in many areas across the state. CPS is extremely lucky to have him as part of the leadership team. I hope everyone realizes this.” ~Anonymous
