Dear Parent and/or Guardian:

On behalf of the Board of Education and the entire staff of Charlotte Public Schools, it is my pleasure to welcome you and your Kindergarten student to the Charlotte family. You and your child are about to begin an exciting educational journey over the next thirteen years that will serve as a springboard to a life filled with learning, growth and opportunity.

The Charlotte Public Schools team of dedicated, professionally-trained teachers and caring staff, are here to help and support you and your child's efforts along the way. Your child will have the benefit of having high expectations set for his/her academic achievement, well-rounded academic and extra-curricular programs and state of the art facilities.

We encourage you to be involved in your child's education. Your active participation is important and enhances the learning process. Be sure to listen to your child read, review homework with him/her and ask about the details of their day relative to subject matter. Other opportunities for parents include serving as a parent volunteer, attending open houses and parent/teacher conferences, chaperoning at school events and field trips, and being an active member of the PTO.

There is much to do and experience in Charlotte Public Schools. Please review the edition of the "UPDATE" found within this packet and visit our website at www.charlottenet.org. You will find information to assist your child on the road to success. Feel free to call us if you have questions. Our staff is here to serve you!

Again, welcome to our school district. Our goal is to provide the best educational experience for your child.

Sincerely,

A handwritten signature in blue ink that reads "Mark D. Rosekrans".
