**\$170 per week / \$39 per day, everything included!**

### **Week 1 – June 11-15 – Weymouth ROCKS**

This week we will explore, create and learn about all things rocks. We will experience the ledges at **Fitzgerald Park**. We will paint **friendship rocks** that will then be placed on their field trip. The children will get to know each other while exploring nature and everything that ROCKS about Summer Fun Club.

### **Week 2 – June 18-22 – Down on the Farm**

This week the children will take a trip to **Fullerton Farms** and **Tirrell Farms** and enjoy a picnic lunch at **Bennett Park**. We will make our own butter, learn about agriculture science, have hay bale races, and make ice cream in the classrooms.

### **Week 3 – June 25-29 – Hometown Pride**

This week is all about community. Once again we are pairing up with **#charlotterising** for a one of a kind art project. We will be designing and creating a large mural that will be displayed at the **Charlotte library**. The children will learn about teamwork and gain a sense of community pride when they see their hard work and creative vision come to life.

#### **Week 4 – July 2-6 – All American Week** (closed Tuesday. Prorated week \$136)

Oh say can you see.... All the fun this week! Children will explore what makes our country unique. We will have fun preparing, creating, and sending a care package to a soldier. We will end the week with a tour of the **West Side Fire Station**, supporting our own hometown heroes.

#### **Week 5 – July 9-13 – Wild Adventure Week**

Get ready for this exciting new wild adventure. We will be going to **Boulder Ridge Wild Animal Park** for the very first time. The children will learn about different animals, create their own animal masks, and have a wild good time.

#### **Week 6 – July 16-20 – Splish Splash Week**

This week is everything water and will be packed with fun water activities and experiments. The children will learn about water all around us from lakes, to rivers, to oceans and ponds. We will sail the Grand River on the **Michigan Princess Riverboat** and have a visit from a pirate on board!

#### **Week 7 – July 23-27 – Construction Week**

Let's get constructive! This week the children will be building with various materials from building blocks, to found objects, to recycled goods. At the end of the week the creations will be on display for all to see. A **construction company** will be visiting us this week, giving the children the opportunity to see construction vehicles up close and personal.

#### **Week 8 – July 30-Aug 3 – Go Green / Go Blue**

Whether you are an MSU fan or U of M fan.... We will have it all this week. We will have lots of fun with fitness, sports, team building and physical activities. For the first time, we will be visiting the **Breslin Center** in East Lansing. The children will get to tour the building and get down on the court! We then will have lunch at the **MSU Gardens**.

### **Week 9 – August 6-10 – Superhero Week**

This week we will explore superheroes and their powers and abilities. We will have our very own superhero training, silly string fight, flashlight tag, and practice our skills at **Lake Odessa Village Park**.

### **Week 10 – August 13-17 - Weymouth's Got Talent**

For our last week we will be focusing on how special and talented all of us are! We will be having our annual **Talent Show** this week and showcasing all the great things we have done throughout the summer. Rehearsals will start a few weeks prior in order to guarantee a show you'll never forget! We will also be having our **end of summer party!**

If you would like your child to attend our Summer Fun Club this year, please circle the days/weeks below that your child would be attending and return to the office. You will only be charged for the days you sign up for.

**SPOTS GO TO CURRENTLY ENROLLED FAMILIES FIRST – THEN ANY OPEN SPOTS ARE OFFERED TO NEW FAMILIES.**

Thank you! (If you are a new family, you will need to meet with Jen Radee to complete an enrollment packet. Make an appointment today! 517-541-5181)
